Instructions (Read all instructions before you begin)

Step 1- Apply 2 coats of Polar Bear with a #12 Round Brush and let dry.

Step 2- Lightly trace the pattern onto the plate.

Step 3- Using a #6 Round Brush, water down Red Blaze (to create a “wash” of color) and paint flower petals. Allow to dry. Go over the edges of the petals again to create shading so you have light and dark areas.

Step 4- Paint the flower centers with a wash of Old Yeller combined with a small amount of Mocha-chino in the center of the Old Yeller.

Step 5- Paint flower stems with a wash of Leap Frog.

Step 6- Using #12 Round Brush, apply a wash of Old Yeller to the background of the plate and around the flower and stem. Let dry, then apply a second wash of Old Yeller to create depth.

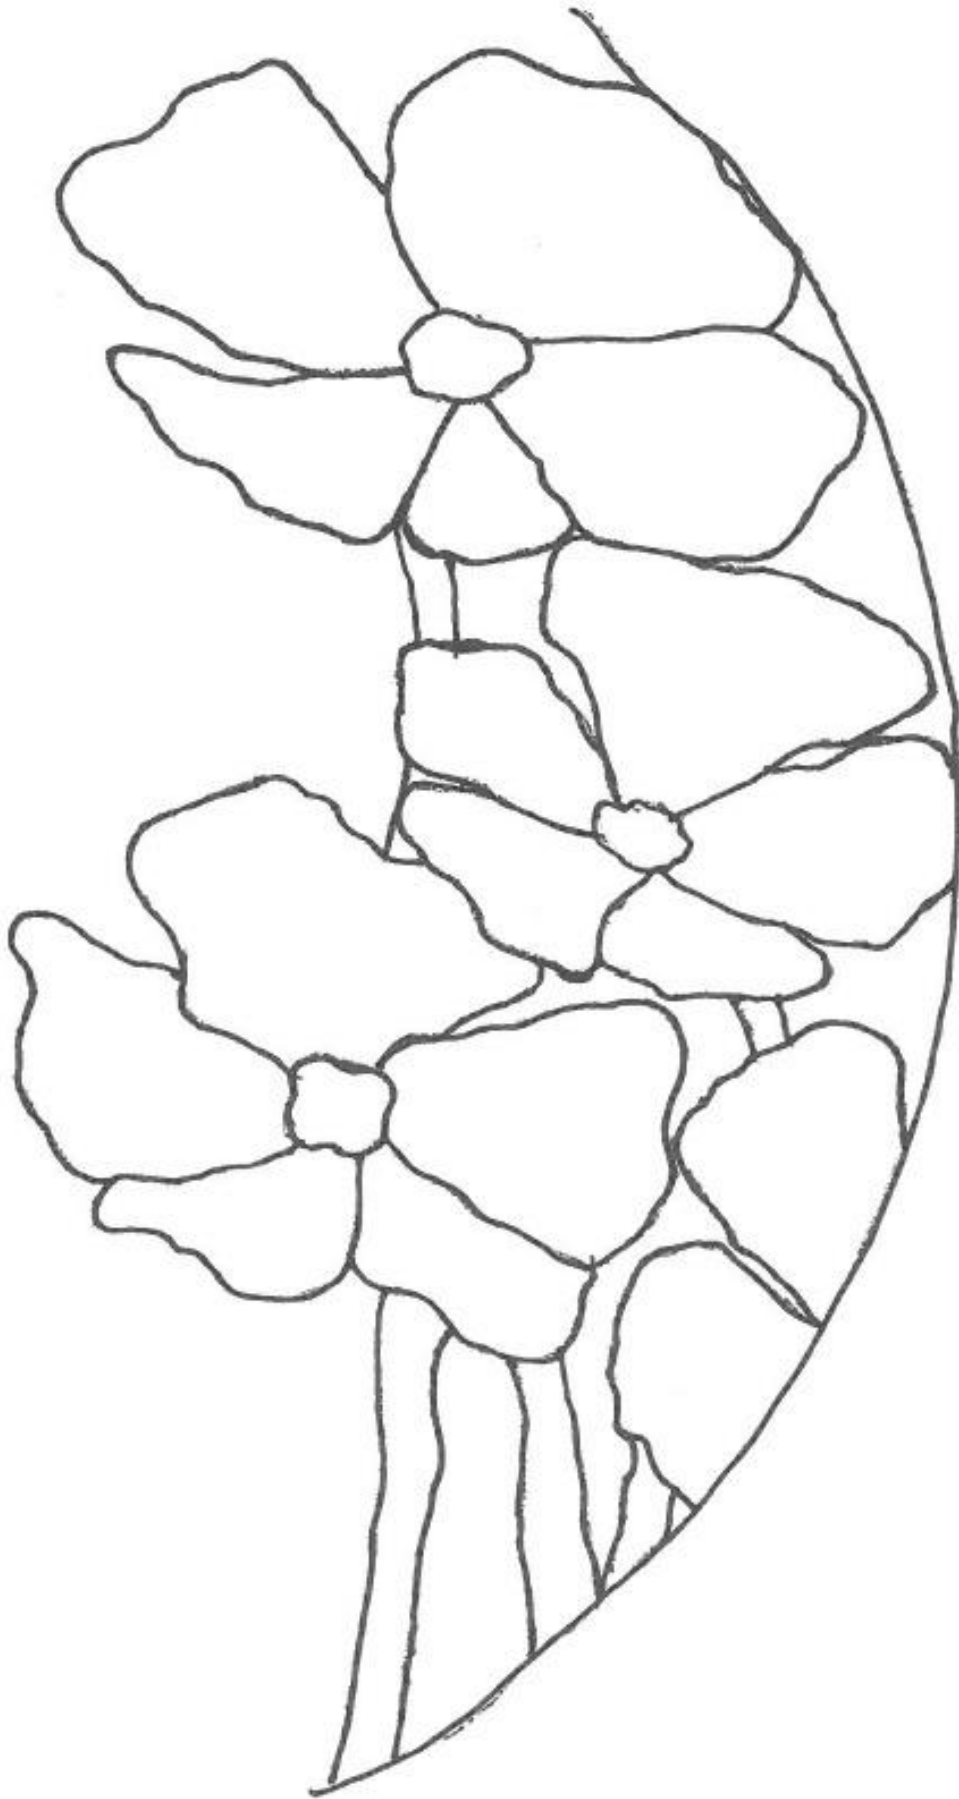

Step 7- Clear glaze and fire to cone 06.
