- # 8115 Letter O Bisquie (4)

### Color

- FS-2300 Polar Bear
- FS-2314 Black Lab
- FS-2337 Li'l Boy Blue
- FS-2381 BeBoppin' Blue
- FS-2396 Anchors Away
- FS-2415 Sand Castle

### Brushes and other materials

- # 6561 Crafter's Choice #8 Round Brush
- # 6571 Aqualon Soft Fan Brush
- # 6566 Crafter's Choice Detail Brush
- # 6322 Fun Writer

## Instructions (Read all instructions before you begin)

**Step 1-** Using the Soft Fan Brush, coat the entire top of the plate in 3 coats of Sand Castle.

**Step 2-** Using the #8 Round Brush paint 2 coats of Polar Bear on the outer 1/2" of the plate rim, over the Sand Castle.

**Step 3-** Using a Fun Writer filled with BeBoppin' Blue, draw squiggly lines to denote squares as shown in photo.

**Step 4-** Using the #8 Round Brush, apply 3 coats of Li'l Boy Blue to the top side of the Dolphin Bisquies. Using a detail brush, lightly apply Black Lab to the Dolphin's eye and mouth.

**Step 5-** Paint top side only of X's in 3 coats of Anchors Away.

**Step 6-** Paint top side only of O's in 3 coats of BeBoppin' Blue.

**Step 7-** Brush clear glaze onto top side of Dolphin, X and O bisquies.

**Step 8 -** Dip plate into clear glaze and fire all pieces to a cone 06.

- Notes:
- X's and O's are dry-footed and stilted on bed of nails.
  - Optional: You can apply extra coats of color to the X's and O's and forego the clear glaze.
  - Dolphin bisquies can either be fired onto plate or glued on after firing, refer to photo for placement.
