Instructions (Read all instructions before you begin)

Step 1- Using the #8 Round Brush, apply 3-4 coats of Sand Castle to the bottom 2/3 of the plate.

Step 2- Using horizontal strokes, apply 3-4 coats of Anchors Away to the top 1/4 of the plate.

Step 3- Brush 1 heavy coat of Mocha-chino to the child's bare foot/feet, then press the center of the plate to the child's foot/feet to create print(s).

Step 4- Apply one heavy coat of Snow Storm to the area between Anchors Away and Sand Castle, and around the top portion of the footprint(s) to create sea foam as shown in the photo above.

Step 5- Using a Fun Writer filled with Black Lab, write child's name and date across the bottom of the plate.

Step 6- Allow to dry, then dip into clear glaze and fire to cone 06.
