*Recipe Courtesy of Gare, Inc.*

## Ingredients

### **Bisque**

# 1004 Tuscany Coupe Salad Plate

### **Color**

FS-2315 What-a-Yolk  
FS-2390 Orange Crush  
FS-2391 Red Blaze

### **Brushes and Other Materials**

# 6674 Majestic #4 Round Brush  
1 ¾" sponge spouncer (available from any craft store)

## Instructions (Read all instructions before you begin)

**Step 1-** Dip the sponge spouncer into What-a-Yolk to completely coat the bottom of the spouncer. Lightly dab onto a paper towel to remove excess color.

**Step 2-** Using the #4 round brush, paint a small swirl of Orange Crush onto the sponge spouncer, then a small swirl of Red Blaze in the opposite direction (as pictured right).

**Step 3-** Lightly push the painted spouncer onto plate, and very slightly twist, only about 1/8" of a turn. Lift to reveal the lollipop swirl. Repeat a second time. For subsequent swirls, you will need to reload paint to the spouncer by applying the 3 colors with the #4 Round Brush. NOTE: You should get two lollipop swirls each time you reload the spouncer with paint.

**Step 4-** Using a Fun Writer filled with Red Blaze, apply random dots as shown above.

**Step 5-** After allowing to dry, dip into clear glaze and fire to cone 06.
