

Rooster Doodle Dots Plate

Recipe Courtesy of Gare, Inc.

Ingredients & Supplies

1011 Large Sushi Plate
FS-2314 Black Lab

Fun Writers with:
FS-2314 Black Lab
FS-2300 Polar Bear
FS-2391 Red Blaze
FS-2315 What-a-Yolk
FS-2304 Green Acres
FS-2303 Lime Ricky
FS-2366 Chocolate Moose
FS-2390 Orange Crush
FS-2397 Tangy Tangerine
FS-2367 Taupe of the Mornin'

6571 Soft Fan Brush
Wooden Sgraffito tool

Directions

Step 1 Using a fan brush apply 3 coats of Black Lab to the entire plate.

Step 2 Trace pattern onto the plate.

Step 3 Using the paper technique, place your rooster cutout on the plate.

Step 4 Using the Fun Writers, the pattern and the photo apply dots in a horizontal direction from top to bottom filling in the areas noted in the pattern. Fill in the solid areas using Fun Writers, to add interest and break up the dots (see photo).

NOTE: Leave wider spaces between some of the color changes so you have some thin black areas between them to create depth (see photo). If dots connect, for best results, let plate dry completely and then use a Sgraffito tool to scratch out between the dots. Be careful not to scrape down to the bisque or you could get crawling.

Step 5 Dip in Dazzle Dip Clear Glaze and fire to cone 06.
